In this updated five-session video Bible study, bestselling author and pastor Max Lucado unpacks the meaning behind John 3:16, one of the most beloved verses in the entire Bible.

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but

about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn’t move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that’s passing away. How do we know what is true about God and religion? Ultimately this question boils down to whether we consider our supreme authority to be tradition or revelation. In The Uniqueness of the Bible, author Dr. Larry Siekawitch explains that self and tradition fail as final arbiters of truth because humans are both finite and sinful/incapable of supplying truth without error. But if God has revealed His truth by revelation in such a way that is completely trustworthy and without error, then that revelation is the obvious candidate for supreme authority because it is God Himself speaking. God has revealed Himself and His ways in the Bible, but how can we convince Jews, Muslims, Catholics, and Mormons of this wonderful fact? We do so by simply showing them the uniqueness of the Bible and convincing them of God’s ultimate authority. This study deals with the Hebrew Scriptures and demonstrates how reliable and miraculous they are. It then compares the Bible to the Koran, particularly focusing on the New Testament and its amazing supernatural nature. Finally, The Uniqueness of the Bible examines Roman Catholicism’s exaltation of tradition to equality with Scripture and the Mormon addition of the Book of Mormon. This study seeks to present convincing evidence in order to help people see the superiority of the Bible to all other means of discovering spiritual truth.

What are God's people about? Unity in diversity or ethnic rivalry? Internal freedom or external control? The answers to these questions are at the heart of Galatians. Paul, a Pharisee, knew what it was to use religion to exclude and coerce others. Then he discovered the astounding good news of freedom and unity in Jesus Christ. His letter to the Galatians is a strong corrective message to those who would try to impose religious rules and regulations and take away God's gifts of freedom and unity from the people. It is a letter that demands to be read, studied and proclaimed to reinforce the great good news ushered in by Jesus' death and resurrection.
