The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

As plague ravages the overcrowded Earth, observed by a ruthless lunar people, Cinder, a gifted mechanic and cyborg, becomes involved with handsome Prince Kai and must uncover secrets about her past in order to protect the world in this futuristic take on the Cinderella story.

Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals, entrepreneurs and corporate executives. Every month, BLACK ENTERPRISE delivers timely, useful information on careers, small business and personal finance.

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. It provides repair, service and maintenance information for all models.

The record-breaking phenomenon from Elizabeth Kostova is a celebrated masterpiece that "refashioned the vampire myth into a compelling contemporary novel, a late-night page-turner" (San Francisco Chronicle). Breathtakingly suspenseful and beautifully written, *The Historian* is the story of a young woman plunged into a labyrinth where the secrets of her family's past connect to an inconceivable evil: the dark fifteenth-century reign of Vlad the Impaler and a time-defying pact that may have kept his awful work alive through the ages. The search for the truth becomes an adventure of monumental proportions, taking us from monasteries and dusty libraries to the capitals of Eastern Europe—in a feat of storytelling so rich, so hypnotic, so exciting that it has enthralled readers around the world. "Part thriller, part history, part romance...Kostova has a keen sense of storytelling and she has a marvelous tale to tell." —Baltimore Sun

Modern political systems have been the products of liberal democracy, Marxism, or fascism. Dugin asserts a fourth ideology is needed to sift through the debris of the first three to look for elements that might be useful, but that remains innovative and unique in itself.

A More Perfect Constitution presents creative and dynamic proposals from one of the most visionary and fertile political minds of our time to reinvigorate our Constitution and American governance at a time when such change is urgently needed, given the growing dysfunction and unfairness of our political system. Combining idealism and pragmatism, and with full respect for the original document, Larry Sabato's thought-provoking ideas range from the length of the president's term in office and the number and terms of Supreme Court justices to the vagaries of the antiquated Electoral College, and a compelling call for universal national ser-

vice—all laced through with the history behind each proposal and the potential impact on the lives of ordinary people. Aware that such changes won't happen easily, but that the original Framers fully expected the Constitution to be regularly revised, Sabato urges us to engage in the debate and discussion his ideas will surely engender. During a presidential election year, no book is more relevant or significant than this.

Provides information about secret warranties and confidential service bulletins related to a wide variety of cars and minivans, covering model years from 1980 to 1997, and includes ratings for used vehicles, and tips on how to get satisfaction from dealers and automakers.

From the author of Alexander Hamilton, the New York Times best-selling biography that inspired the musical, comes a gripping portrait of the first president of the United States. Winner of the 2011 Pulitzer Prize for Biography "Truly magnificent . . . [a] well-researched, well-written and absolutely definitive biography" —Andrew Roberts, *The Wall Street Journal* "Until recently, I'd never believed that there could be such a thing as a truly gripping biography of George Washington . . . Well, I was wrong. I can't recommend it highly enough—as history, as epic, and, not least, as entertainment." —Hendrik Hertzberg, *The New Yorker* Celebrated biographer Ron Chernow provides a richly nuanced portrait of the father of our nation and the first president of the United States. With a breadth and depth matched by no other one volume biography of George Washington, this crisply paced narrative carries the reader through his adventurous early years, his heroic exploits with the Continental Army during the Revolutionary War, his presiding over the Constitutional Convention, and his magnificent performance as America's first president. In this groundbreaking work, based on massive research, Chernow shatters forever the stereotype of George Washington as a stolid, unemotional figure and brings to vivid life a dashing, passionate man of fiery opinions and many moods. Lin-Manuel Miranda's smash Broadway musical *Hamilton* has sparked new interest in the Revolutionary War and the Founding Fathers. In addition to Alexander Hamilton, the production also features George Washington, Thomas Jefferson, James Madison, Aaron Burr, Lafayette, and many more.

A death row confession sparks an investigation that will tear Miami apart in this "engrossing thriller" from the #1 New York Times best-selling author (Booklist). Detective-Sergeant Malcolm Ainslie, a former Catholic priest, is about to start his vacation when a call comes in from death row. Before serial killer Elroy Doil is taken to the electric chair, he wants to make a full confession to the cop who put him away. To close the books on additional murder cases in which Doil is a suspect, Ainslie drives four hundred miles to Florida State Prison. Although Doil confesses to ten other homicides, he insists that he didn't commit the crime for which he will be executed the following day: the grisly slaying of a city commissioner and his wife. In his search for the real killer, Ainslie will discover that the upper levels of Miami's government—including some of his closest colleagues—are more corrupt and dangerous than he ever imagined.

The Book of Five Rings is a text on kenjutsu and the martial arts in general, written by the Japanese swordsman Miyamoto Musashi around 1643. Written over three centuries ago by a Samurai warrior, the book has been hailed as a limitless source of psychological insight for businessmen-or anyone who relies on strategy and tactics for outwitting the competition.

An expert on market volatility shows that the value of the stock market may be significantly inflated and urges cautious optimism, predicting that the market may show poorer performance in the future.

In the summer of 1944, a shocking murder rocked the fledgling Beats. William S. Burroughs and Jack Kerouac, both still unknown, we inspired by the crime to collaborate on a novel, a hard-boiled tale of bohemian New York during World War II, full of drugs and art, obsession and brutality, with scenes and characters drawn from their own lives. Finally published after more than sixty years, this is a captivating read, and incomparable literary artifact, and a window into the lives and art of two of the twentieth century's most influential writers.

Every Haynes manual is based on a complete teardown and rebuild, contains hundreds of "hands-on" photos tied to step-by-step instructions, and is thorough enough to help anyone from a do-it-yourselfer to a professional.

John Crowley's masterful *Little, Big* is the epic story of Smoky Barnable, an anonymous young man who travels by foot from the City to a place called Edgewood—not found on any map—to marry Daily Alice Drinkwater, as was prophesied. It is the story of four

generations of a singular family, living in a house that is many houses on the magical border of an otherworld. It is a story of fantastic love and heartrending loss; of impossible things and unshakable destinies; and of the great Tale that envelops us all. It is a wonder.

World powers clash for dominance as a beautiful Russian woman carries out a staggering mission and a derelict English publisher becomes the unlikely recipient of the Soviet Union's top defense secret. Reprint. 12,500 first printing.

Expert practical advice from an experienced race engine builder on how to build an ignition system that delivers maximum power reliably.

This American classic has been corrected from the original manuscripts and indexed, featuring historic photographs and an extensive biographical afterword.

Indexes the Times, Sunday times and magazine, Times literary supplement, Times educational supplement, Times educational supplement Scotland, and the Times higher education supplement.

In this revolutionary book, a renowned computer scientist explains the importance of teaching children the basics of computing and how it can prepare them to succeed in the ever-evolving tech world. Computers have completely changed the way we teach children. We have Mindstorms to thank for that. In this book, pioneering computer scientist Seymour Papert uses the invention of LOGO, the first child-friendly programming language, to make the case for the value of teaching children with computers. Papert argues that children are more than capable of mastering computers, and that teaching computational processes like debugging in the classroom can change the way we learn everything else. He also shows that schools saturated with technology can actually improve socialization and interaction among students and between students and teachers. Technology changes every day, but the basic ways that computers can help us learn remain. For thousands of teachers and parents who have sought creative ways to help children learn with computers, *Mindstorms* is their bible.

The Wheel of Time ® is a PBS Great American Read Selection! Now in development for TV! Since its debut in 1990, *The Wheel of Time*® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. In *Towers of Midnight*, the Last Battle has started. The seals on the Dark One's prison are crumbling. The Pattern itself is unraveling, and the armies of the Shadow have begun to boil out of the Blight. The sun has begun to set upon the Third Age. Perrin Aybara is now hunted by specters from his past: Whitecloaks, a slayer of wolves, and the responsibilities of leadership. All the while, an unseen foe is slowly pulling a noose tight around his neck. To prevail, he must seek answers in Tel'aran'rhold and find a way—at long last—to master the wolf within him or lose himself to it forever. Meanwhile, Matrim Cauthon prepares for the most difficult challenge of his life. The creatures beyond the stone gateways—the Aelfinn and the Eelfinn—have confused him, taunted him, and left

him hanged, his memory stuffed with bits and pieces of other men's lives. He had hoped that his last confrontation with them would be the end of it, but the Wheel weaves as the Wheel wills. The time is coming when he will again have to dance with the Snakes and the Foxes, playing a game that cannot be won. The Tower of Ghenjei awaits, and its secrets will reveal the fate of a friend long lost. Dovie'andi se tovyu sagain. It's time to toss the dice. TV series update: "Sony will produce along with Red Eagle Entertainment and Radar Pictures. Rafe Judkins is attached to write and executive produce. Judkins previously worked on shows such as ABC's "Agents of SHIELD," the Netflix series "Hemlock Grove," and the NBC series "Chuck." Red Eagle partners Rick Selva and Larry Mondragon will executive produce along with Radar's Ted Field and Mike Weber. Darren Lemke will also executive produce, with Jordan's widow Harriet McDougal serving as consulting producer." —Variety The Wheel of Time® New Spring: The Novel #1 The Eye of the World #2 The Great Hunt #3 The Dragon Reborn #4 The Shadow Rising #5 The Fires of Heaven #6 Lord of Chaos #7 A Crown of Swords #8 The Path of Daggers #9 Winter's Heart #10 Crossroads of Twilight #11 Knife of Dreams By Robert Jordan and Brandon Sanderson #12 The Gathering Storm #13 Towers of Midnight #14 A Memory of Light By Robert Jordan Warrior of the Altai By Robert Jordan and Teresa Patterson The World of Robert Jordan's The Wheel of Time By Robert Jordan, Harriet McDougal, Alan Romanczuk, and Maria Simons The Wheel of Time Companion By Robert Jordan and Amy Romanczuk Patterns of the Wheel: Coloring Art Based on Robert Jordan's The Wheel of Time At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The fami-

ly of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history.

This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. *No Country for Old Men* is a triumph.

This debut novel by the two time Pulitzer Prize-winning author of *The Underground Railroad* and *The Nickel Boys* wowed critics and readers everywhere and marked the debut of an important American writer. Nominated as one of America's best-loved novels by PBS's *The Great American Read* it is a time of calamity in a major metropolitan city's Department of Elevator Inspectors, and Lila Mae Watson, the first black female elevator inspector in the history of the department, is at the center of it. There are two warring factions within the department: the Empiricists, who work by the book and dutifully check for striations on the winch cable and such; and the Intuitionists, who are simply able to enter the eleva-

tor cab in question, meditate, and intuit any defects. Lila Mae is an Intuitionist and, it just so happens, has the highest accuracy rate in the entire department. But when an elevator in a new city building goes into total freefall on Lila Mae's watch, chaos ensues. It's an election year in the Elevator Guild, and the good-old-boy Empiricists would love nothing more than to assign the blame to an Intuitionist. But Lila Mae is never wrong. The sudden appearance of excerpts from the lost notebooks of Intuitionism's founder, James Fulton, has also caused quite a stir. The notebooks describe Fulton's work on the "black box," a perfect elevator that could reinvent the city as radically as the first passenger elevator did when patented by Elisha Otis in the nineteenth century. When Lila Mae goes underground to investigate the crash, she becomes involved in the search for the portions of the notebooks that are still missing and uncovers a secret that will change her life forever. Look for Colson Whitehead's bestselling new novel, *Harlem Shuffle!*

Complete coverage for your Subaru Legacy (10-16) & Forester (09-16):

Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

New York Times Bestseller | Pulitzer Prize Finalist "Ms. Russell is one in a million. . . . A suspenseful, deeply haunted book."--The New York Times Thirteen-year-old Ava Bigtree has lived her entire life at Swamplandia!, her family's island home and gator-wrestling theme park in the Florida Everglades. But when illness fells Ava's mother, the park's indomitable headliner, the family is plunged into chaos; her father withdraws, her sister falls in love with a spooky character known as the Dredgeman, and her brilliant big brother, Kiwi, defects to a rival park called *The World of Darkness*. As Ava sets out on a mission through the magical swamps to save them all, we are drawn into a lush and bravely imagined debut that takes us to the shimmering edge of reality.
