### CLEP College Math Practice Test (updated 2020)

### Free Practice Test: CLEP College Algebra - Powerhouse Prep

The CLEP Test for College Algebra is administered to students just finishing or just out of high school. It tests information you would use in a basic college algebra class and can be used to test out of algebra classes in college. If you want to take the CLEP test, study for your exam by purchasing a study guide and taking practice tests.

The College Mathematics examination covers material generally taught in a college course for nonmathematics majors and majors in fields not requiring knowledge of advanced mathematics. The examination contains approximately 60 questions to be answered in 90 minutes. Some of these are pretest questions that will not be scored.

CLEP Algebra Exam. Check the sections to include in your exam: Algebraic operations (19 questions) Equations and inequalities (21 questions) Functions and their properties (20 questions) Number systems and operations (17 questions) Recommended CLEP Algebra Exam Practice Material: Prep for Success CLEP College Algebra. CLEP Official Study Guide.
