A guide to crafting a meaningful and polished college admissions essay that gets students into the school of their dreams by expressing their unique personality, strengths, and goals. Stand out from the crowd with a memorable, meaningful personal statement that will capture the attention of college admissions officers. Writing a college admissions essay is no easy task—but with college essay coach and New York Times contributor Alan Gelb's accessible and encouraging step-by-step instructions, you'll be able to write an honest, one-of-a-kind essay that really shines. Gelb's ten-step approach has garnered great results for the students who have tried it, many of whom were accepted into their dream schools (Harvard, Brown, Yale, and more). This to-the-point handbook shows you how to identify an engaging essay topic, and then teaches you how to use creative writing techniques to craft a narrative that expresses your unique personality, strengths, and goals. Whether you're an A-student looking for an extra boost or a less-confident writer who needs more intensive help, Gelb's reassuring and concise guidance will help you every step of the way, from your initial draft to final revision. In the end, you will have a well-polished, powerful, and profound personal statement that you can feel proud of—a college essay that doesn't feel "pre-fab," but is a real reflection of your own individuality.

The largest collection of successful college application essays available in one volume. These are the essays that helped their authors gain admission to Harvard, Yale, Brown, Columbia, Wellesley, Colby, and other outstanding schools—followed by invaluable comments by experts in admissions, placement, and college counseling at some of the best learning institutions around the country. This helpful guide includes: 100 complete essays with professional commentary Examples of essays on common topics (family background, athletics, work experience), as well as the more offbeat Essays on the immigrant experience by foreign-born students A section of drawing and cartoon essays Insider advice from a Princeton dean of admissions A "What Not to Do" chapter from a top college counselor And more Compiled by members from The Harvard Independent, the weekly newsmagazine of Harvard University, this is an invaluable resource for students who want to write the best possible essay—and improve their chances of admission to the best possible school.

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

Discover why admissions officers from the nation's top medical schools selected these essays of worthy applicants With only a limited number of spaces available every year to the thousands of qualified applicants to the nation's top medical schools, a serious candidate must find a way to set himself or herself apart from the crowd. The essay is your one chance to highlight the personal qualities and achievements that the application and MCAT scores do not reveal. As Essays That Worked for Medical Schools demonstrates, there is no such thing as the perfect submission. The winning essays cover a wide range of interesting topics. If there is any similarity, it is that they are written from the heart. One applicant writes about his work as a counselor for mentally ill adults and teens. Another tells about the life-changing experience of delivering much needed supplies to a leprosy village in West Africa. And a third applicant talks about time spent volunteering at a local

senior center. From the thousands submitted each year, the essays in this book were considered some of the best by admissions officers at the nation's top medical schools. With creativity and effort, you can turn almost any topic into an effective, successful essay for your medical school application!

Write right in for scholarly success While world-renowned for the precision and clarity it lends to scholarly writing, keeping track of APA style's exacting standards can be demanding (at times even excruciating!) for initiates and seasoned writers alike. Created and governed by the American Psychological Association, it provides a universal style for formatting, citations, and footnotes in psychological research, behavioral and social science journals, and beyond. Getting up to speed is tough stuff, but once you've got it, your work will have that easy-to-follow scholarly authority that will get high marks from your professors and peers alike. Your friendly, frustration-free guide for this adventure in simplifying APA style is Joe Giampalmi, who has taught more than 100 APA-style composition courses to college students. He takes the pain of following APA style away by breaking it down to its essential elements and focusing on the important stuff students encounter most. You'll work through specific, real-life examples of using APA style for psychology, criminology, business, and nursing papers. In addition to demystifying the intricacies of formatting and citation, APA Style & Citations For Dummies has got you covered in all matters of grammar and punctuation—as well as guidance on how APA style can help you negotiate issues around the ethics of authorship and the importance of word choice in reducing bias. Develop conciseness and clarity Pay attention to flow, structure, and logic in your writing Know when, why, how, and what to cite Keep your writing ethically conscious and bias-free Writing in APA style is something that almost all students will need to do at some point: APA Style & Citations For Dummies is a must-have desk reference to know how to win the approval of your professors—and earn the marks you need for success!

Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyze the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

Writing an amazing college admission essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, College Essay Essentials is the only college essay guide to make this complicated process logical, simple, and (dare we say it?) a little bit fun.
