Summer Camp Email 4: Registration Confirmation. Crafting an email confirming registration is not necessarily a straightforward task. It's important to put some time and thought into putting this confirmation together. You don't want to include TOO MUCH information in your email so that any important notes or messages get lost.

Email marketing when done right can act as an effective way to communicate with your target audiences and get them to turn up to your events. With the use of marketing automation tools, events marketers can automatically send confirmation letters to the attendees right after they have registered to an event.

A training invitation letter is that kind of a letter which is written to invite a person to a certain training program, course or camp. These letters must give the various details of the training as well as that of the training program for the information of the recipient. A sample of one such letter is given below:
