Allis-Chalmers I&T Shop Service Manual AC-32This manual covers Allis-Chalmers 5020 and 5030 tractors.Established in 1948.The family farm may be long gone, but the service and repair manuals that keep the tractors running are still available from Clymer.

Haynes Manuals have been the world's leading publisher of illustrated workshop car and motorcycle manuals since 1965. Since then, Haynes Manuals have evolved to include a significantly wider range of automotive, sport, leisure, military and lifestyle publications.

Covers theory of operation, maintenance, fault finding and repair for automotive air conditioning applications. Ideal for the apprentice or student who needs to understand how air conditioning works, what servicing equipment is needed and what precautions and regulations apply. Removal and refitting procedures for common components are included.

With a Haynes Manual, you can do it yourself, from simple maintenance to full repairs. Every Manual is based on a complete strippdown of the bike. Our authors and technicians work out the best methods to do a job and present this with the home mechanic in mind. Our Manuals have clear instructions and hundreds of photographs that show each step.

The AC Cobra was produced by Shelby in both roadgoing and competition versions, and this manual looks at both, although the emphasis is firmly on the racing cars.
