For homeschool math lessons, I am using the textbook Houghton Mifflin Math Grade K and the accompanying workbook. The textbook begins with basic counting and contains sections on patterns, plane shapes, solid shapes, wholes and parts, and more. The 124-page black and white workbooks provides supplemental practice for each section of the textbook.

The book was a great workbook to practice the lessons in the textbook. Of course there was some writing in the workbook as it was purchased used, but the writing was easily erased by me prior to my child using the book so it was as good as new. The workbook had great activities to practice the math lessons that were in the book.
