Are there rules and guidelines in place to aid when making valuations? The answer is yes and the guidelines in place are the 'JSB Guidelines'. The JSB Guidelines are not 'law' but their use is encouraged across the courts and most (if not all) insurers and solicitors will use the guidelines when valuing client's claims.

The Joint British Diabetes Societies (JBDS) for Inpatient Care group was created in 2008 to 'deliver a set of diabetes inpatient guidelines and proposed standards of care within secondary care organisations', with the overall aim of improving inpatient diabetes care through the development and use of high quality evidence based guidelines, and through better inpatient care pathways.
