KX FI Calibration Controller enables riders to make changes to en-

gine maps by plugging into the ECU without a PC or battery. Comes equipped with seven preset map settings, a built in colour LCD screen, transfer and diagnostic cable SD card, user manual and carry case.

2021 KX450 | Kawasaki Motors Australia

The results are great efficiency, better fuel economy and less engine noise. Its combination with the Exhaust Gas Recirculation (E-GR) and Diesel Particulate Filter (DPF) Muffler reduces emissions to make the KX080-4S2 engine Tier IV certificated. *Based on Kubota test. Actual interval depends on each job site and working condition.
