## GKR1HG - SARA MATHEWS

A life plan, on the other hand, will help you turn your dreams into reality. It works because it gives you not a just a destination, but also a way to get there. A life plan doesn't have to be complicated. It should answer just two questions:

This is the second post in a series on life planning. In this series, I am sharing with you the basics of a life plan and why you need one by going through the details of my own LIFE planning process. Neither my plan nor my process are perfect. In fact, they are evolving from year to year.

You want to create the plan for your life, you need the right tools to help you make whatever you want possible. Why not use the Goals 2019 - 2020 Diary to plan out your time and set goals for yourself ahead. You can combine a year diary with a daily planner to make your life easier, ...

Determining Your Priorities 1. Consider what roles you play in the present. Each day we play different roles, or give ourselves different labels... 2. Think about the roles that you want to play in your future. Some, if not all, of your roles from the present might be... 3. Consider the reasons you ...

#### Life Planning for You: How to Design & Deliver the Life of ...

This do-it-yourself book is life-changing and fun. It is also authoritative, written by award-winning global financial thought leader, George Kinder, with former New York Times personal finance columnist, Mary Rowland. The book will inspire you with stories of how people have made the changes they needed in order to live the life of their dreams.

Life Planning helps you reorganize your relationship to money so that your financial resources are dedicated to supporting your life of greatest value, meaning and purpose. Here on this website you will find all you need to uncover your most deeply held life goals and create a practical plan to make them happen, including a financial plan that supports your goals.

#### Welcome to the Life Planning for You website!

Drafting a blueprint for your life is a huge endeavor. It's not something you should expect to complete in just an hour. We'll be doing a lot of meditating, writing, and soul searching, which is surprisingly difficult and draining work. Ideally, you should dedicate a weekend to drafting your life's blueprint.

Keep in mind, Life Planning is a relatively new concept in the financial planning world, and is an off-shoot of the financial planning we all think of. Life Planning uses the basic financial planning process and inputs as a jumping off point to help folks better plan the next stages of their lives (retired or otherwise). Life Planning is more in-depth and focused to what makes the individual (or individuals if a spouse/partner is involved) tick -- what really gets them excited about life.

Secure the perfect home and save money The Home for Life Plan is a Lifetime Lease option for people aged 60 years old or over. Choosing a Lifetime Lease means you could pay up to 59% less than the market price to live securely in your new home without rent, mortgage or any interest repayments for your lifetime.

As you make a life plan, it helps to plan not only months into the future but for years. Looking at your values and thinking about how you want the next few months, year, and five years to be (even up to ten years!) and then working backward can really clarify what next steps will bring you a payoff, and can help you decide where to put your time.

Life Planning connects the dots between our financial realities and the lives we long to live. The Kinder Institute's tools and trainings make it possible for financial planners and individuals alike to cultivate a Life Plan designed to deliver the most meaningful kind of freedom: The freedom to pursue life's passions, wherever they may lead.
