Outback Dusk - DNA Magazine Australia

Description this book Outback Dusk features art nude photographs of handsome, masculine and sensual men within an array of hauntingly beautiful and raw outback settings. Paul Freeman has established himself at the pinnacle of his craft, not only as a photographer, but as a visual poet and artist, eulogizing as he captures the spirit of the rugged yet sensitive Australian male in all his physical glory. Paul Freeman's series of photo books of extraordinarily beautiful men in the Australian Outback has a new edition: Dusk.

Outback Dusk is a masterpiece of the male nude in photography. Paul Freeman can take the ruggedness of the outback terrain and match it with the perfect rugged model, or soften it by using a not so rugged model, either way it works . He is a master of shadowing and positive and negative space when posing his models.

In the two years since my last book, Outback Dusk, was released, I took some time out to travel and refresh my creative voice. I have continued shooting, travelling to some great locations, and found I had accumulated a large library of new work. I have divided some of this into the two new photographic collections.
