chain tightener on mine
was original as it seemed
less "substantial" than
those I've seen on other

The Ransomes Ajax was
one of the most popular
hand mowers ever made.
It was introduced in 1933
and remained in
production until 1972.
During this time the Ajax
was produced in five
different versions, each
being a small progression
on its predecessor, and
over 250,000 were sold.
The Mark I and Mark II

Ajax was produced during the 1930s.
