"A binge worthy young adult read with just the right amount of drama, conflict, friendship and romance. Can't wait for the next book in the series." Goodreads Review. THE FIRST BOOK IN THE EXCITING STAND ALONE SANCTUARY COVE SERIES Some secrets aren't meant to stay buried. Hailee Munroe thought her life was picture perfect. Great friends. A perfect boyfriend. Co-captain of the cheer squad. Her senior year was everything she wanted it to be, until it was taken away in one horrific moment. A moment that takes her best friend, Hope, away from her forever. Now plagued with survivor's guilt, she lashes out and blames the person she holds responsible. Nick. Her dead best friend's boyfriend…and her secret ex. She's managed to hide their past for

this long, but she doesn't know he's hiding something even bigger— something that will change everything. Hailee must face the shocking truth head--on or risk losing it all in an instant. Secrets are revealed, lines are blurred, complicated is just the beginning. **** PRAISE FOR JUST A LITTLE COMPLICAT-ED "Interesting characters and entertaining story." - Goodreads Review "Nick and Hailee's story is both sweet and tragic. Steph does an amazing job of depicting high school. The characters were relatable and funny, and most of the dialogue was realistic. I love that the book puts life into perspective - even if you think everything is perfect, something could go wrong. The way grief was written was extremely accurate, at least in my experience. I would definitely recommend this book to anyone who enjoys young adult books." - Goodreads Review
