Secessionism And Separatism In Europe

This is a list of currently active separatist movements in Europe. Separatism often refers to full political secession, though separatist movements may seek nothing more than greater autonomy or to be recognised as a national minority.. What is and is not considered an autonomist or secessionist movement is sometimes contentious. Entries on this list must meet three criteria:

List of active separatist movements in Europe - Wikipedia

The boundaries between secessionism and separatism are often blurred, and in many cases study of secessionism encompasses that of separatism and vice versa. Recognising this inherent relationship, this book provides a comparative survey of recent attempts at secession and separatist movements from across Europe and Asia, and assesses the responses of the respective host governments.

rope and Asia on Apple Books

In this sense, secessionism is the end point of separatism: it is a separatism that aims to remove all the sovereign powers of an existing state. And some secessionist movements—such as those of Aceh in Indonesia or of Tibet in China—become merely separatist by publicly abandoning their previous secessionist objectives.
