**Deep Reading: Teaching Reading in the Writing Classroom** ...

The National Writing Project is one of the longest running development programs in the U.S. It offers a variety of literacy workshops designed to help teachers incorporate writing skills in the classroom. Keep in mind that long form essays are just a single facet of developing writing skills.

Young children are like little sponges soaking up all that their little minds are exposed to on a daily basis. And the best way young children learn is through their play including the development of pre-reading and pre-writing skills. In our classroom, we are always exploring the reading and ...

### How Important Is Teaching Literacy in All ... - Edutopia

What you would like to do, is help them learn the facts that they need in order to improve their reading and writing. When you teach reading and writing you will do your best to make it easy for them to learn. Remember to praise, praise, praise. It boosts confidence and develops a CAN DO attitude.

Two tenets of the NWP that I think produce wide gains in student writing: teachers writing side-by-side with students, and creating time on a regular basis in your classroom for writer's workshop that follows a type of writing process that puts the writer in charge (of content, voice, and structure). Reading
