Without delving into the realm of sexual intercourse, a guide answers preschoolers' commonly asked questions about reproduction, birth, and the difference between the sexes through simple text and illustrations.

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

Demonstrates how to perform different types of card tricks with step-by-step instructions and photographs.

What if Donald Trump wrote a book about himself—and did it all by himself? It would probably look a little something like this. Exclusively using hundreds of verified quotes and tweets from the man who improbably became the 45th president of the United States, My Amazing Book About Tremendous Me sees Trump's own words answering kid-friendly prompts such as, "My house is..." and "My five best ideas are..." Now, we finally have a medium where his bragging, rambling, outrageous and occasionally incoherent thoughts make sense. Sort of. Packed from page to page with clear evidence of ego-fueled, adolescent impulses gone

wild, this scrapbook parody perfectly showcases exactly how off the rails our commander-in-chief really is.

YouTube stars Dan Howell and Phil Lester tell the humorous story of growing up, becoming YouTube stars, and give advice to their teen followers.

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

In the tradition of Phil Knight's Shoe Dog comes the incredible untold story of how Netflix went from concept to company—all revealed by co-founder and first CEO Marc Randolph. Once upon a time, brick-and-mortar video stores were king. Late fees were ubiquitous, video-streaming unheard of, and widespread DVD adoption seemed about as imminent as flying cars. Indeed, these were the widely accepted laws of the land in 1997, when Marc Randolph had an idea. It was a simple thought—leveraging the internet to rent movies—and was just one of many more and far worse proposals, like personalized baseball bats and a shampoo delivery service, that Randolph would pitch to his business partner, Reed Hastings, on their commute to work each morning. But Hastings was intrigued, and the pair—with Hastings as the primary investor and Randolph as the CEO—founded a company. Now with over 150 million subscribers, Netflix's triumph feels inevitable, but the twenty first century's most disruptive start up began with few believers and calamity at every turn. From having to pitch his own mother on being an early investor, to the motel conference room that served as a first office, to server crashes on launch day, to the now-infamous meeting when Netflix brass pitched Blockbuster to acquire them, Marc Randolph's transformational journey exemplifies how anyone with grit, gut instincts, and determination can change the world—even with an idea that many think will never work. What emerges, though, isn't just the inside story of one of the world's most iconic companies. Full of counter-intuitive concepts and written in binge-worthy prose, it answers some of our most fundamental questions about taking that leap of faith in business or in life: How do you begin? How do you weather disappointment and failure? How do you deal with success? What even is success? From idea generation to team building to knowing when it's time to let go, That Will Never Work is not only the ultimate follow-your-dreams parable, but also one of the most dramatic and insightful entrepreneurial stories of our time.

Children new to Spider-Man will love discovering more about him in this young readers reference book with foldout paper flaps and a pull-out giant poster featuring Spider-Man. The Amazing Book of Marvel's Spider-Man is the perfect introduction to Spider-Man for young fans. Large pictures and short, simple sentences bring the world of the web-slinger to life for children aged 5 and beyond. See Spider-Man's powers, meet Spider-Man's friends, and tremble at Spider-Man's villains like the Green Goblin. ♦ 2016

MARVEL

The Caldecott Honor-winning classic by bestselling picture-book creator David Shannon! When David Shannon was five years old, he wrote and illustrated his first book. On every page were these words: NO, DAVID! . . . and a picture of David doing things he was not supposed to do. Now David is all grown up. But some things never change. . . . Over fifteen years after its initial publication, NO, DAVID! remains a perennial household favorite, delighting children, parents, and teachers alike. David is a beloved character, whose unabashed good humor, mischievous smile, and laughter-inducing antics underline the love parents have for their children—even when they misbehave.

Looks at the history, theory, and design of mazes, including hedge mazes, panel mazes, mirror mazes, turf mazes, and panel mazes.

Seven chapters covering a diverse collection of more than seventy topics provides young readers with a comprehensive, fact-filled guide to the human body, astronomy, history, and more!

#1 NEW YORK TIMES BESTSELLER Our earliest experiences shape our lives far down the road, and *What Happened to You?* provides powerful scientific and emotional insights into the behavioral patterns so many of us struggle to understand. “Through this lens we can build a renewed sense of personal self-worth and ultimately recalibrate our responses to circumstances, situations, and relationships. It is, in other words, the key to reshaping our very lives.”—Oprah Winfrey This book is going to change the way you see your life. Have you ever wondered “Why did I do that?” or “Why can’t I just control my behavior?” Others may judge our reactions and think, “What’s wrong with that person?” When questioning our emotions, it’s easy to place the blame on ourselves; holding ourselves and those around us to an impossible standard. It’s time we started asking a different question. Through deeply personal conversations, Oprah Winfrey and renowned brain and trauma expert Dr. Bruce Perry offer a groundbreaking and profound shift from asking “What’s wrong with you?” to “What happened to you?” Here, Winfrey shares stories from her own past, understanding through experience the vulnerability that comes from facing trauma and adversity at a young age. In conversation throughout the book, she and Dr. Perry focus on understanding people, behavior, and ourselves. It’s a subtle but profound shift in our approach to trauma, and it’s one that allows us to understand our pasts in order to clear a path to our future—opening the door to resilience and healing in a proven, powerful way.

“In this book with no pictures, the reader has to say every silly word, no matter what”--

The *Amazing Book of History* is a 708-page collection of hundreds of articles, lists, quotes, and anecdotes that explore a lively range of human history, from the ancient world to the recent past to pop culture. The hardcover volume looks at history from an anything-goes perspective, with nearly 300 dynamic tales of people, places, and events. Its innovative approach and witty style should appeal to a wide range of readers.

The **#1 New York Times** bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can

take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Answers questions about the human body, animals, plants, and space, including did unicorns ever exist and how volcanoes work. No matter how busy you are, find quiet reflective moments in your life—and reduce your stress levels drastically—with this classic bestselling guide from a mindfulness expert. When *Wherever You Go, There You Are* was first published in 1994, no one could have predicted that the book would launch itself onto bestseller lists nationwide and sell over 750,000 copies to date. Ten years later, the book continues to change lives. In honor of the book's 10th anniversary, Hyperion is proud to be releasing the book with a new afterword by the author, and to share this wonderful book with an even larger audience.

“An outstanding book. . . . Meets the needs of those in-between or curious kids who are not ready, developmentally or emotionally, for *It’s Perfectly Normal*.” —Booklist (starred review) How does a baby begin? What makes a baby male or female? How is a baby born? Children have plenty of questions about reproduction and babies—and about sex and sexuality, too. *It’s So Amazing!* provides the answers—with fun, accurate, comic-book-style artwork and a clear, lively text that reflects the interests of children age seven and up in how things work, while giving them a healthy understanding of their bodies. Created by the author and illustrator of *It’s Perfectly Normal*, this forthright and funny book has been newly updated for its fifteenth anniversary.

#1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor’s unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN** “McConaughey’s book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand.”—Mark Manson, author of *The Subtle Art of Not Giving a F*ck* I’ve been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and

still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

Maddie Fynn is a shy high school junior cursed with an eerie intuitive ability that's out of her control -- one that entangles her in a homicide investigation. For as long as she can remember, Maddie has seen a series of unique digits hovering above the foreheads of each person she encounters. Her earliest memories are marked by these numbers, but it takes her father's premature death for Maddie and her family to realize that these mysterious digits are actually deathdates, and just like birthdays, everyone has one. Forced by her alcoholic mother to use her ability to make extra money, Maddie identifies the quickly approaching deathdate of one client's young son, but because her ability only allows her to see the when and not the how, she's unable to offer any more insight. When the boy goes missing on that exact date, law enforcement turns to Maddie. Soon, Maddie is entangled in a homicide investigation, and more young people disappear and are later found murdered. A suspect for the investigation, a target for the murderer, and attracting the attentions of a mysterious young admirer who may be connected to it all, Maddie's whole existence is about to be turned upside down. Can she right things before it's too late?

Women feel enormous pressure to be perfect. To have the perfect body, to be a perfect woman, to have the perfect career, and to have the perfect attitude. All the time. Under all that pressure and all those expectations are women carrying burdens they were never meant to carry and suppressing the dreams they were always meant to live. In *You're Already Amazing*, popular blogger and cofounder of (in)courage helps women understand and embrace the fact that they don't need to do more, be more, and have more--because they're already amazing just the way God created them to be. As a licensed counselor and certified life coach, Holley knows what readers need to hear. Like a heart-to-heart talk over coffee, reading this joy-filled book encourages women to forget the lies and expectations the world feeds them, instead believing that God made them for a purpose and that he loves them right now, at this moment, and always. Holley takes readers on a journey of the heart to discover their strengths and embrace all God created them to be.

THE INSTANT #1 NEW YORK TIMES BESTSELLER From YouTube sensations Dan Howell (danisnotonfire) and Phil Lester (Amazing-Phil) comes a laugh-out-loud look into the world created by two awkward guys who share their lives on the Internet. More than 11 million YouTube subscribers can't wait for this book! Since uploading their first ever videos as teenagers, Dan and Phil have become two of the world's biggest YouTube stars. Featuring 24 unique and creative designs, ranging in complexity from simple to advanced, this coloring book will provide hours and hours of stress relief, mindful calm, and fun, creative expression for kids.

"[Sigrid Undset] should be the next Elena Ferrante." —Slate The turbulent historical masterpiece of Norway's literary master A Penguin Classic In her great historical epic *Kristin Lavransdatter*, set in fourteenth-century Norway, Nobel laureate Sigrid Undset tells the life story of one passionate and headstrong woman. Painting a richly detailed backdrop, Undset immerses readers in the day-to-day life, social conventions, and political and religious undercurrents of the period. Now in one volume, Tiina Nunnally's award-winning definitive translation brings this remarkable work to life with clarity and lyrical beauty. As a young girl, Kristin is deeply devoted to her father, a kind and courageous man. But when as a student in a convent school she meets the charming and impetuous Erlend Nikulaussøn, she defies her parents in pursuit of her own desires. Her saga continues through her marriage to Erlend, their tumultuous life together raising seven sons as Erlend seeks to strengthen his political influence, and finally their estrangement as the world around them tumbles into uncertainty. With its captivating heroine and emotional potency, *Kristin Lavransdatter* is the masterwork of Norway's most beloved author—one of the twentieth century's most prodigious and engaged literary minds—and, in Nunnally's exquisite translation, a story that continues to enthrall. This Penguin Classics Deluxe Edition includes an introduction by Brad Leithauser and features French flaps and deckle-edged paper. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Perfect for teaching children to read, while letting them learn about the fascinating world of dinosaurs -The Ultimate Dinosaur Book for Kids is ideal for long car journeys and bedtime reading. Scroll up and click Buy Now and help your child become a dinosaur fact expert in no time!

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

YouTube sensations Dan Howell (danisnotonfire) and Phil Lester (AmazingPhil) present their NYT bestselling The Amazing Book Is Not On Fire and Dan and Phil Go Outside in one amazing box. An illustrated reference work covers the topics of astronomy, the Earth, plants, animals, the human body, history, today's world, the arts, and science and technology.

AN INSTANT NEW YORK TIMES BESTSELLER! "Poised and chilling." —Wall Street Journal "No-one does suburban paranoia like Shari Lapena—this slowly unfurling nightmare will have you biting your nails until the end." —Ruth Ware Another thrilling domestic suspense novel from the New York Times bestselling author of The Couple Next Door and Not a Happy Family Maybe you don't know your neighbors as well as you thought you did . . . "This is a very difficult letter to write. I hope you will not hate us too much. . . My son broke into your home recently while you were out." In a quiet, leafy suburb in upstate New York, a teenager has been sneaking into houses--and into the owners' computers as well--learning their secrets, and maybe sharing some of them, too. Who is he, and what might he have uncovered? After two anonymous letters are received, whispers start to circulate, and suspicion mounts. And when a woman down the street is found murdered, the tension reaches the breaking point. Who killed her? Who knows more than they're telling? And how far will all these very nice people go to protect their own secrets? In this neighborhood, it's not just the husbands and wives who play games. Here, everyone in the family has something to hide . . . You never really know what people are capable of.

Demonstrates how to perform a wealth of tricks using everyday props as well as a variety of card tricks, illustrating each in color photographs that reveal hidden details of sleight of hand.

YouTube sensations Dan Howell (danisnotonfire) and Phil Lester (AmazingPhil) were just two awkward guys who shared their lives on the Internet...until now. Dan Howell and Phil Lester, avoiders

of human contact and direct sunlight, actually went outside.
