The Compleat Academic: A Career Guide. Individual chapters present the ins and outs of the hiring process; the advantages of a post-doctoral fellowship; expert strategies for managing a teaching load; insider and applicant advice for winning a research grant; detailed instructions for writing and publishing a journal article;

The Compleat Academic: A Career Guide by John M. Darley

The Compleat Academic: A Career Guide (Second Edition) The first section, starting a career, covers the unspoken rules of graduate school, weighing the option of a postdoctoral position, the academic hiring process, and a look at jobs outside of academia. The common thread tying these areas together is motivation.

The Compleat Academic: A Career Guide (Second Edition)

The contributors to The Compleat Academic: A Career Guide go beyond the written rules that everybody should know to provide the usually unwritten rules of the academic game that are also critical. Many seasoned academics have learned these implicit rules through experience, and they sometimes take them for granted.
