The Pleasures and Sorrows of Work is an exploration of the joys and perils of the modern workplace, beautifully exploring what other people wake up to do each day—and night—to make our frenzied world function.

The Pleasures and Sorrows of Work is an exploration of the joys and perils of the modern workplace, beautifully evoking what other people get up to all day - and night - to make the frenzied contemporary world function. With a philosophical eye and his characteristic combination of wit and wisdom, Alain leads us on a journey around a deliberately eclectic range of occupations, from rocket science to biscuit manufacture, accountancy to art - in search of what make jobs either fulfilling ...

The Pleasures and Sorrows of Work is an exploration of the joys and perils of the modern workplace, beautifully exploring what other people wake up to do each day—and night—to make our frenzied world function. With a philosophical eye and his signature combination of wit and wisdom, Alain de Botton leads us on a journey around an eclectic range of occupations, from rocket scientist to biscuit manufacturer, from accountant to artist—in search of what makes jobs either soul-destroying or ...

The book The Pleasures and Sorrows of Work by Alain de Botton tells us about the two sides of any work: the benefits, which we gain from it, and the losses, which it causes us to suffer, including our free time, calmness and others. The author of the book uncovers such pleasures of work as the job satisfaction, personal development, and the opportunity for communication.

For his book, The Pleasures And Sorrows Of Work, philosopher Alain De Botton observed everyday occupations. Instead of focusing on the jobs that dominate television — lawyers, doctors, crooks — he...

She debuted in 2018 with the story “The Pleasures and Sorrows of Work,” which won the Changbi Prize for New Figures in Literature. Based on her experience of working in the IT sector, the story was widely read and shared on social media by office workers. She published The Pleasures and Sorrows of Work and Other Stories in 2019.

In The Pleasures and Sorrows of Work (2009), de Botton produced a survey of ten different jobs, including accountancy, rocket science and biscuit manufacture. The book, a piece of narrative non-fiction, includes two hundred original images and aims to unlock the beauty, interest and occasional horror of the modern world of work.

Book Summary Combining narrative virtuosity, a scholar's grasp of history, an intellectual intrepidity, and a dazzling ability to reveal the extraordinary in the ordinary (and vice versa), Alain de Botton has created his own ever-surprising genre into which The Pleasures and Sorrows of Work fits brilliantly.

The Pleasures and Sorrows of Work. About ten years ago, Alain de Botton wrote a book called The Pleasures and Sorrows of Work. It's a perfectly fine book, not a great book. From the great tradition of writing about working, I far prefer the live interviews of Studs Terkel. And so, I'd greatly recommend his book Working.
